Resolution #2

Manitoba Métis Community and Membership Application

WHEREAS for two centuries the Manitoba Métis Community has protected its rights and asserted its identity with struggles in the courts and on the fields of conflict, including the 1816 unveiling of the Métis National Flag and the Battle of Seven Oaks and later the 1849 Sayer Trial, the 1869 Red River Resistance, and the 1885 Battle of Batoche;

AND WHEREAS In 1870 the Manitoba Métis Community became the Founders of Manitoba and Canada's Negotiating Partners in Confederation and, subsequently, having not received the solemn constitutional promise of children's lands in exchange for laying down our arms, our Ancestors faced a Reign of Terror, and many were dispersed throughout our traditional territories, and beyond, in search of peace and security;

AND WHEREAS the Manitoba Métis Community comprises Métis Citizens, both adults and their children, settlements also known as local communities, and traditional territories, and is defined by a common identity, culture, history and, among other things, social and kinship relationships;

AND WHEREAS the Manitoba Metis Federation (MMF) Constitution states that the Manitoba Métis Community is a part of the Métis Nation, and that the MMF has been created to be the democratic and self-governing representative body of the Manitoba Métis Community;

AND WHEREAS the United Nations 2007 Declaration on the Rights of Indigenous Peoples states Indigenous peoples have the right to determine their own membership (Citizenship) in accordance with their own traditions, and have the right to maintain and develop contacts, relations and cooperation with their own members (Citizens) across borders;

AND WHEREAS the Delegates of the 2012 Annual General Assembly passed Resolution No. 1 directing the Board of Directors to consider defining residence to allow for an applicant who qualifies for membership to apply for membership in a Region where they do not reside but based on their kinship and roots;

AND WHEREAS the Delegates of this 2014 Annual General Assembly refuse to allow the Manitoba Métis Community to be defined by boundaries which are not Métis-made, nor of Métis-choosing, and which arbitrarily and artificially divide the Manitoba Métis Community, its citizens, settlements, and traditional territories, and therefore declare it is not necessary to be a resident of Manitoba to be a Citizen of the Manitoba Métis Community.
