

December 11, 2025

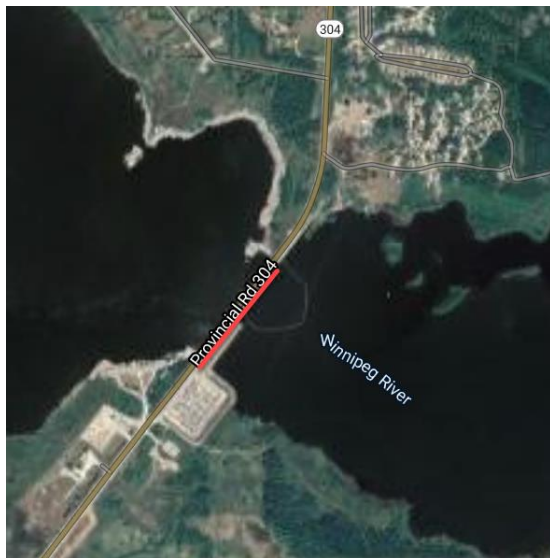

## Overnight road closures on Provincial Road 304 at the Pine Falls Generating Station on December 13 and December 16.

Starting Saturday, December 13, 2025, and Monday, December 15, 2025, the section of PR 304 that passes over the Pine Falls Generating Station will be closed overnight between 10:00 pm to 2:00 am. This is necessary to accommodate Manitoba Hydro's installation of post-tensioned anchors in the spillway piers which is required to meet new safety guidelines set out by the Canadian Dam Association.

Planned closures:

- **Saturday, December 13 – 10:00 pm to 2:00 am**
- **Monday, December 15 – 10:00 pm to 12:00 am**

The area will be marked with signage and no traffic except emergency vehicles will have access during these periods.
