

Métis Harvesting Survey for Harvests Between April 1, 2022 to March 31, 2023

The knowledge you are sharing with us is invaluable as it gives us the ability to know more about the resources and practices Metis harvesters do in the Manitoba Metis community. This information is confidential and will be used collectively and not by an individual person. All information shared will be used for purposes authorized by the Metis Harvesting Initiative and will allow your Metis government to represent the best interests of all Metis Harvesters in Manitoba.
